"Finding Joy in Adversity"

We chose Sophia as our very first Mid-Month Player Spotlight because she's been incredibly active and inspiring lately — both on and off the court.

The video below is a special 16-minute podcast conversation featuring Sophia with her teacher, Ms. Janelle Carlson. It gives a deeper look into her journey, her mindset, and the impact wheelchair tennis is having on her life. This third

video is a bit longer than our usual features, so feel free to bookmark it and come back when you have time — it's absolutely worth the watch.
